

## CHARLES ARMBRUSTER PROJECT EXECUTIVE

Chuck brings over 35 years of experience to Hamilton Stern Construction and has joined our team as a Project Executive. He has been fully immersed in every phase of the construction process and provides a great deal of knowledge and skill to the executive team. Chuck is very capable at managing as well as supervising construction in the field. He is proficient in scheduling, estimating, accounting and budgeting. His attention to detail and the client's needs make him a valuable asset to our team. Chuck's prior experience includes:

- Project Executive at LeChase Construction Services, LLC in Rochester, NY
- Vice President at Fast Track Structures Inc. in Rochester, NY
- Engineer at Peter Kiewit Son's Company

Chuck has supervised and managed projects in all different sectors in the construction field. He has been involved in fitness, healthcare, higher-education, retail, hospitality, food prep and distribution, industrial and office renovation. He has extensive experience in new-construction and renovation projects and has successfully fronted the construction management team in countless large-scale commercial projects. Some of Chuck's project experience include but are not limited to:
